

## Give the gift of light

With the economy in the dumps, give a gift that can be used, and appreciated, by everyone on your list – the gift of electricity. MVEA’s gift certificate program makes it easy for you to provide a credit on a friend or relative’s MVEA electric account. Simply fill out the following form and return it, along with your check, to either MVEA office or in an MVEA dropbox. To simplify things even more, instead of filling out the form, you can call us with the information and we’ll charge your credit card. How easy is that for holiday shopping!

- The recipient’s electric account will be credited in the amount of your gift;
- The recipient will receive a certificate listing your name and the amount of credit they receive (you can remain anonymous if you wish).

Give us a call for more information or log onto MVEA’s website at [www.mvea.coop](http://www.mvea.coop). An MVEA gift certificate can be given anytime throughout the year.
