## Give the Gift of Light!

Many of our members are having a difficult time making ends meet. If you have a friend or family member in this situation, how about getting them something they can really use this holiday season - the gift of electricity.

MVEA's gift certificate program makes it easy for you to provide a credit on an MVEA electric account. Simply fill out the coupon on the reverse side of this insert and return it, along with your check, to either MVEA office or in an MVEA dropbox. To make it even easier, you can give us a call and we can charge your credit card.

When you purchase a gift certificate:

*The recipient's electric account will be credited in the amount of your gift, and,*

*A gift certificate listing your name and the amount of credit they received will be sent to the recipient (you may remain anonymous if you wish).*

An MVEA Gift Certificate can be given any time throughout the year.

***Let us simplify your gift giving!***
